TECHNICAL SKILLS

Web Development

HTML, CSS, JavaScript, React, Next.js, Tailwind CSS

Programming

TypeScript, Python, Java, C/C++

AI / ML

Machine Learning, Artificial Intelligence

Data Analytics

Pandas, NumPy, Data Visualization, SQL

Tools

Git, GitHub, VS Code, Vercel

PROFILE

Web Developer with a strong foundation in modern web technologies and a growing focus on Artificial Intelligence, Machine Learning, and Data Analytics. Currently pursuing an MCA at GLS University, with a practical, learning-by-building approach to software development — turning new concepts into working projects rather than treating them as theory alone.

EDUCATION

Master of Computer Applications (MCA)

2026 – Present

GLS University, Ahmedabad

Bachelor of Computer Applications (BCA)

2023 – 2026

Veer Narmada South Gujarat University, Surat

AREAS OF INTEREST

- Modern Web Development
- Software Engineering
- Artificial Intelligence & Machine Learning
- Data Analytics

WHY WORK WITH ME

- Hands-on builder mindset — learns new tools by shipping real projects, not just theory.
- Blends front-end engineering skill with an emerging data science and AI/ML toolkit.
- Comfortable across the stack: from React/Next.js interfaces to Python-based analysis.

“Always building, always learning.”
